A group of eight people are sitting on a red patterned carpet, arranged in a circle around a central laptop. They are all looking at the laptop screen, which displays a video call with a person's face. The people are dressed in casual attire, including jeans, t-shirts, and hoodies. The scene suggests a collaborative meeting or a group discussion. The text "Group Think!" is overlaid in the center of the image.

A top-down photograph showing approximately 12 hands of diverse skin tones (ranging from light to dark brown) pressed together in a circle on a sandy surface. The hands are arranged in a ring, with fingers pointing towards the center. The sand is light-colored and textured. The text "Table Team Talk" is overlaid in the center of the image in a white, sans-serif font.
